

The 122 kilometers race course has ten control points, including the finish line. The course has triple petal shape and we recommend use of a GPS device. The course map with exact locations will be in your welcome package. The race start is at June 5 midnight from the official camp site (Markove livade). All competitors should have properly validated control card and clearly noticeable starting number.

Control points and time limits:

1. **Midžor 7km** (control card validation only) point is at 2.150 altitude in vicinity of the old tana ruins. The highest race point.
2. **Beleđe 22km** (first pass), the main control point and the center of all lapses. Control card validation, water, food and your personal belongings that you may leave in the race office on Friday, June 5 by 10 pm. At this control point you can eat as much as you wish, but taking food out of the control point is not allowed. You will be able to refill your hydration packs and water bottles.
3. **Sinošćir 33,5km** (control card validation). Several water sources before this point. Immediately after validation the course takes you to the left uphill toward the Klisura pass, and then downhill to the next control point.
4. **Dabidžin potok 45,5km** Control card validation, water and food. From this control point the course goes uphill toward Kopren, junipers, and along the old border patrol trail with Bulgaria. This control point is also first time limit point and to stay in the race you have to be here by 11:30 am June 6.
5. **3 kladenca 51,5km** Control card validation and water. This control point is located at the plateau at the foot of Kopren.
6. **Beleđe 58,5km** (second pass) the main control point and the center of all lapses. The second pass time limit is 3:30 pm, June 6.
7. **Dojkinci 76km**, Control card validation, water and food. The control point is by the mountain hut (the location of last year's start). After this point the course takes to uphill to the Bratkova strana.
8. **Beleđe 96m** (third pass) the main control point and the center of all lapses. The third pass time limit is 0:30 am, Sunday, June 7.
9. **Topli do 112km** Control card validation, water and food. From the previous control point is downhill and from this one is final ascent until the finish line (camp site). Please pay attention that the control point in Topli do is a house with a beautiful terrace by the river. You'll notice the house at the entry of the village at the right side across that road. This is the lowest point to the race. We are closing this control point on Sunday morning at 7am.
10. **Babin zub, finish 122km**. Mandatory control card validation, and reporting in the race office. You'll get here warm soup and tea, exchange starting number and you'll also get the lunch voucher. If you come to this point on Sunday by 8 am your result will be verified and you'll get UTMB points.

In regard water and food you'll have to be semi-autonomous, similarly to this type of races thought the world.

The course is marked with a classic mountaineering markings, stripes and sign boards.
